

## **PACIFIC MARKET CENTER WELCOMES MEISSENBURG DESIGNS TO ITS COLLECTION OF SHOWROOMS**

### ***New showroom features vintage-inspired and personalized signs***

**SEATTLE** – Pacific Market Center, the leading permanent wholesale market on the west coast, announces the latest addition to its collection of permanent showrooms, Meissenburg Designs. The new showroom opens in late November 2008 and will feature Meissenburg's line of vintage inspired, personalized, wood and metal signs and frames.

"We are delighted to welcome Meissenburg Designs to Pacific Market Center," said Lisa Goodman, marketing director of Pacific Market Center. "Their commitment to high-quality products and personalized services make them a great source for our buyers and a wonderful addition to our showrooms."

For more than 25 years, Meissenburg Designs have created classic wood and metal signs for families, resorts, wineries and stores. Buyers can choose from a wide variety of vintage image categories including billiards, beach, fishing, golf and winter sports. Meissenburg Designs also add an extra element with an assortment of wood only two-dimensional signs ("cut-ups") and a line of free standing frames. The frames are 10" x 12" and hold a 4" x 6" picture and can also be personalized. Paired with catchy retro verbiage, the vintage and original art of Meissenburg signs furnish any buyer's space in classic fashion. To fit buyer's specific needs, Meissenburg can customize signs with personalized names and locations. All Meissenburg signs are painted with UV protected pigments making the signs fade-resistant and extending the life and enjoyment of each sign.

Located at suite 576 at Pacific Market Center, the Meissenburg Designs showroom is open to buyers during shows and by appointment. For a full list of product lines featured in the new showroom and for more information, visit [www.pacificmarketcenter.com](http://www.pacificmarketcenter.com).
